**POOR PADDY'S CABIN; or, SLAVERY IN IRELAND.** A true Representation of Facts and Characters. By an Irishman.

"We could desire nothing better for the British Empire, and indeed for the interests of mankind everywhere, than that 'Poor Paddy's Cabin' may have a circulation as extensive as Mrs. Stowe's beautiful narrative. The story on which the incidents are engrafted is in the highest degree interesting and gratifying, and it would do more good within the British Islands, if found in every hand, than even 'Uncle Tom's Cabin' has done for the cause of Negro Emancipation in the New World!"—*Standard*.

"The Author, whose long residence in Ireland, and intimate acquaintance with the habits and feelings of the people, enable him to draw a true picture of the state of things in this hitherto neglected and most unhappy country, has, with considerable discretion, scrupulously avoided hurting the feelings of individuals, by any personal allusions. His censures are directed against the systems and principles, that prevail in Ireland."—*Morning Herald*.
